

Annual General Meeting - 2020

Given that current government guidelines not to allow gatherings of more than 6 people it has been agreed that the Club AGM, due to held next month, will be cancelled.

Because of the lack of activity during the year, no annual reports of any relevance will be produced. The Treasurer however will produce a summary of the income & expenditure, such as it was, for the year.

It has been agreed that all of the committee roles would be run on for a further year with 2019 / 2020 not counting as part of the three-year cycle.

The committee are aware that the AGM is a forum at times for members to ask questions or to put forward proposals. In order to ensure that all members do have a means to do that, if anyone has any comments or issues that they would like to be discussed at future committee meetings can you please send them by email to Iain Bray, Committee Chairperson.:

iain.bray@braygiffin.co.uk.

As the 2019 / 2020 season has been seriously curtailed because of the pandemic, the committee and the Club Management have agreed that the current captains and vice captains will continue in their roles for 2020 / 21.

Therefore current Captains, John Hatfield and Jo Stentiford will remain in place for a further year as will their vice captains. Vice Captains Bill White and Jane Hatfield will be appointed as Captains with effect from October 2021.

It is hoped that all club members will understand why these decision have been taken and will continue to support John and Jo in whatever activities are allowed to take place this year and next
